FERRARI IS FIRST TO OFFER 24-MONTH WARRANTY ON APPROVED PRE-OWNED CARS

Maranello, 3rd February 2010. Ferrari is pleased to announce a 24-month Power Warranty on all Ferrari Approved cars purchased through the Official Ferrari Dealer network in Europe. Ferrari is the first manufacturer to offer a 24-month factory warranty on pre-owned vehicles, through a programme entirely dedicated to Prancing Horse customers.

The warranty remains with the vehicle and has a duration of 24 months from the date of vehicle purchase from an Official Dealer provided that the vehicle is correctly maintained (including the annual inspection) at an Official Ferrari Dealer or Authorised Repairer within 30 days of expiry of the first 12-month period. In addition, customers of the Ferrari Approved programme also receive a free subscription to the Ferrari Magazine and Ferrari Roadside Assistance service for the duration of the warranty.

The Ferrari Approved programme offers peace of mind and reassurance for customers purchasing a Ferrari up to eight years old. With the support of a warranty underwritten by Ferrari, and a comprehensive 190-point technical inspection, Ferrari Approved is a testament to the company's confidence in the enduring quality and appeal of the Prancing Horse cars.

The programme is available through all Official Ferrari Dealers offering considerable benefits to customers:

- A minimum of 24 months Ferrari factory-based warranty
- 190-point comprehensive and detailed technical inspection
